Good Neighbor Grant Process:

1. Submit this application, a “before” photo, and an estimated Budget or contractor estimate.
2. If approved, you will be notified by letter. Complete project and keep receipts.
3. Submit receipts and a photo of the completed project.
4. Oshkosh Healthy Neighborhoods will reimburse up to **\$750**; after the first \$250 is paid by the applicant. You must share *original receipts* to receive reimbursement.

Oshkosh Healthy Neighborhoods is sponsoring the Good Neighbor Grant program through the generosity of the Oshkosh Area Community Foundation, and in partnership with the City of Oshkosh. The goal of the program is to encourage exterior improvements on the street-facing side of homes in Oshkosh neighborhoods. Project examples include window, siding and door installation, step replacement, garage, fence and porch repairs, painting, tree or bush trimming/removal, awnings, landscaping or other site improvements. Applicants are strongly urged to use local contractors.

Project eligibility requirements:

- Property must be located in a recognized neighborhood association, as designated by the City of Oshkosh.
- Project **MUST** comply with City of Oshkosh ordinances, including the securing of proper permits.
