## Fantastic Flags

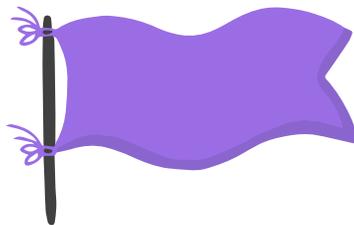

Let's learn all about our word flags. Each flag is extremely unique to its culture, history, and creation. Here are some interesting facts about flags around the world!

- The study of flags is called Vexillology. The field focuses on the design aspects of each flag. Vexillology seeks to better understand the important role flags play in our world.
- The only flag in the world that does not have four sides belongs to Nepal.
- The rarest color amongst the word flags is... Purple!
- Denmark has the world's oldest flag.

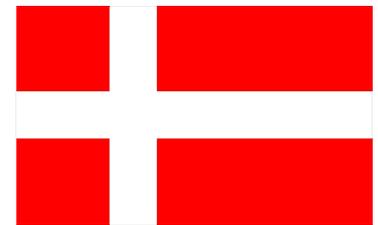

## NEIGHBOR NEWS

Millers Bay 10th Anniversary is on August 2nd, which is also Neighborhood Night Out!

## PARTNER UPDATES

Rock the Block Oshkosh finished the last project on June 28th. The program was extremely successful in the Midtown neighborhood with over 140 projects completed.

## GOOD TO KNOW

River East and Stevens Park are hosting their neighborhood rummage sale on July 14-16.

## July 19th!

Neighborhood Night at the Leach will be on Tuesday, July 19th, from 5:30-9:00pm promptly starting the Tuesday Night Concert Series with the band, Spitfire Rodeo. Bring five households from your association to receive an additional \$50 in neighborhood funding! The neighborhood with the most households present will receive \$100 in neighborhood funds. Music, prizes and more...

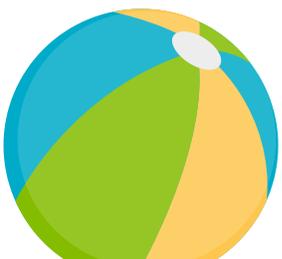

The event theme will be "Why we love living in Oshkosh". Let us know by reaching out through social media, email or our website! Here are some examples we have heard already: waterfront, walkability, greenspaces, nice parks, tree lines, pickleball courts, county park, older homes, people, neighborhood pride, community, grant opportunities, and volunteer opportunities.

## Summer Events
